ALERT: All Lenders Now At Some Risk of Negative Reprices

This is the 3rd reprice alert of the morning pertaining to the same negative trend. We've now seen enough weakness for any lender to be at risk of repricing. Fannie 3.5s are down 17 ticks on the day, with at least 9 ticks since many lenders' rate sheet print times.

10yr yields are pushing 2.30 after closing at 2.178 yesterday.
