UPDATE: Bonds Losing Ground After 'Unchanged' Overnight Performance

Treasuries were unchanged overnight, but are moving into weaker territory somewhat abruptly. There's no clear scapegoat here unless it's the supply implication of Senator Rubio's comments on allowing more time for PPP loans. MBS are less affected by comparison (Treasury doesn't raise money by selling MBS, after all).

2.0 UMBS coupons are down 1 tick from yesterday (-0.03) and trading just over 102 at the moment. 10yr yields are up 2.2bps at .713.
