A Message from Caroline Roy:

"Great news for conforming loan limits! The change for 2018 is going to be up to \$453,100 for 2018. That's a big jump for our area and a badly needed change for our higher priced market in Bozeman! We still offer great jumbo programs, but the borrower wins when they can keep their loan inside the conventional limits."

UPDATE: Conforming Loan Limit Increased from \$424k to \$453k

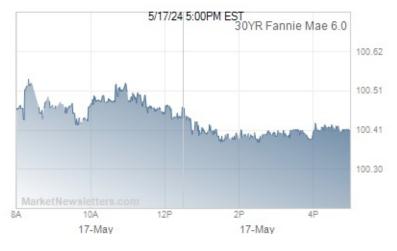

Because it's mandated by the Housing and economic Recovery Act, we knew that conforming loan limits would be going up this year, and that the FHFA tends to announce the change following its 3rd quarter home price data. We just didn't know exactly what the increase would be.

Following today's announcement of a 6.8% annual increase (Q3 vs Q3), FHFA has upped the conforming loan limits as follows:

- \$453,100 (vs \$424,100 in 2017)
- High cost area ceiling: \$679,650
